

# amazing hedi

Hedi Belkaoui has always been a champion of the less fortunate. So when a Golden Apple Scholarship allowed him to pursue a career teaching high-needs students, he picked Dominican for his training. Hedi is now at Providence St. Mel High School, where his lesson plans always stress the need for students to believe in themselves. “If my students can learn to think critically about the world around them,” Hedi said, “then I have done my job.”

**Dominican offers you more than 50 programs of undergraduate study and 15 graduate degree programs.**
