## Field Trip Highlights

- **Historic Pullman District**
- **Chicago History Museum**
- **Architectural/Historical Photo Scavenger Hunt**
- **Tommy Gun's Garage**

Your Name:

EBQ: Using today's site visits as primary sources, answer the following questions in the form of a journal:  
1) To what extent and in what ways does Chicago deserve the title: "the capital of American architecture?"  
2) What can one learn about the rise of urban America using Chicago as a case study?

**Depart from TFS Grand Lobby at 8:15 a.m.**

**Historic Pullman District—11141 S. Cottage Grove  
8:45-10:45 a.m.**

**Chicago History Museum—1601 N. Clark St..  
11:15 a.m.—12:30 p.m.**

**Architectural/Historical Photo Scavenger Hunt  
12:45-4:30 p.m.**

At this point we will break into small groups. I recommend beginning your day with a LIGHT lunch in the basement food court at Water Tower Place (800 N. Michigan Ave). You and your group will have the afternoon to navigate your way through the streets of downtown Chicago in search of the “perfect photo” of various historically significant landmarks. Teams will be judged based upon the number of sites they are able to visit, the quality and originality of their photographs, depth of information gathered/researched/reported, etc. Use space within this brochure to note any special information about the places you visit. Do not separate. If you have any questions or concerns during the afternoon, I may be reached at (708) 288-3532. Once your group has accomplished its scavenger hunt goals and completed a journal chronicling your activities that includes submissions from *all* group members, you are free to take advantage of downtown cultural, educational, and/or shopping experiences at your leisure, but never on your own. All groups should meet no later than 4:30 p.m. at the Harold Washington Library (400 S. State St.) to begin compiling their journals.

**Journal Work: Harold Washington Library—400 S. State St.  
4:30-5:30 p.m.**

You will have an hour to work with your teammates to compile the most outstanding group journal in AP history. Be sure to include a summary description and/or historical background information about each site visited. There are work tables on the fourth floor of the library that you can use.

**Tommy Gun’s Garage-2114 S. Wabash Ave.  
5:45-8:50 p.m.**

The bus will depart from the Harold Washington Public Library no later than 5:45 p.m. for Tommy Gun’s Garage. Meet together on State Street on the north side of the library as the bus has to do a quick pickup and cannot park. Here, we will enjoy a musical comedy revue in a re-created 1920s speakeasy featuring gangsters, flappers, and period music and dance. Food portions are extravagant, so leave plenty of room. Dinner is served at 6:30 and we should be finished at roughly 8:50 p.m. Expected return time to T.F. South is 9:20 p.m.
