

Mr. Gourley

Architects/Architecture Assignment

DIRECTIONS: Divide the following items among your team members equally. Use print and online resources to, at a minimum, fill one side of a lined 5x8 notecard with information. While on the trip, you will be responsible for “teaching” the historical or cultural significance of your person, building, or location to the rest of your group and for contributing your knowledge to your group’s journal.

Architects

Solon S. Beman
Daniel H. Burnham
Skidmore, Owings, and Merrill
Louis Sullivan
