About Golden Apple

Celebrating its 25th anniversary, Golden Apple began with founders Mike and Pat Koldyke and a shared inspiration — to offer outstanding schoolteachers a level of recognition and engagement in the larger work of education reform. Golden Apple's successful track record of integrated, innovative programs and resources enhance the quality, resiliency, and creativity of classroom teachers and improve teaching and learning throughout Illinois. Qualified, passionate educators — including Golden Apple Award-winners and finalists — lead a small staff of dedicated employees with functional and program expertise. A connected and committed board of directors oversees Golden Apple's strategic direction. Together with a larger community of expert educators, this nonprofit organization works to ensure that all Illinois children have the excellent teachers they deserve.
